Dear Admissions Team,

My name is Samuel Odoom Nyarko and I am writing from Ghana.

I hold a Bachelor of Science degree in Information Technology with a CGPA of 3.0. I am interested in applying for a Master's program in Cybersecurity, Data Science, or Data Analytics taught in English at UPC BarcelonaTech.

I would be grateful if you could kindly provide information regarding:

1. English-taught master's programs related to cybersecurity or data analytics
2. Admission requirements for international students
3. Whether a Medium of Instruction (MOI) letter can replace IELTS or TOEFL
4. Tuition fees for non-EU students
5. Available scholarships or financial aid
6. Application deadlines for the next intake

Thank you very much for your time and assistance.

Kind regards,
Samuel Odoom Nyarko
Ghana
